

ARC Edinburgh app has been developed in partnership with the City of Edinburgh Council and Edinburgh Drug and Alcohol Partnership in consultation with the recovery community in Edinburgh. All of the features of ARC have been designed with you at the centre to help you focus on your recovery.

Recovery Network

Easily access details of council support services, local recovery events, hubs and communities.

Calendar

Use the calendar to help you schedule your time, book in your meetings and stay organised.

Community Calendar

You can keep track of what's going on in the area using our community run and led calendar.

Motivation

You can use motivational features such as quotes, stories or mindfulness activities.

Diary

Record important day to day moments and experiences in the diary to keep track of thoughts, feelings and memories.

Emergency Button

When things get really tough, or something goes wrong you can reach out to the people most important in your recovery.
